

Célere OPAL Ibiza

DESCRIPTION

Célere Opal is a new development located on the beach of Bossa in Ibiza. The residential complex consists of 90 homes with 1, 2 and 3 bedrooms distributed across different floors in a privileged environment.

The development features a communal area equipped with a swimming pool, chill out area and gym on the ground floor of the building.

Excellent design and luminosity make these outstanding properties. All its rooms are spacious and open-plan; its layout is perfectly designed to distinguish between daytime and nighttime

areas. Its modern qualities and finishes make Célere Opal a unique place to live, highlighting its interior carpentry lacquered in white, its furnished kitchens, the installation of heating via an air conditioning machine with a heat pump, the installation of an individual aerothermal machine for the production of sanitary hot water, and also the possibility of personalising the home with different finish options for flooring and tiling.

Célere Opal is designed to ensure maximum wellbeing, with the aim of meeting all your needs and offering you greater comfort and quality in a superb area with unbeatable facilities.
